Statement of Intent for Wexham Road Surgery Slough

New contractual requirements came into force from 1st April 2014 requiring that GP practices should make available a statement of intent in relation to the following IT developments:-

1. Referral Management
2. Electronic Appointment Booking
3. Online Booking of repeat prescriptions
4. Summary Care Record
5. GP2GP transfers
6. Patient Access to records.

Wexham Road Surgery are working closely with our System Suppliers and it is our intention to have all these developments available to our patients by 31st March 2015.
